Pat Trundle—Celebrating 20 years of service...

“Over the years I have always been drawn to working with youth, whether in Sunday school, my church youth group or weekly visits to our local junior high schools. While I definitely enjoyed all of these opportunities to connect with our local youth, I must admit that none were as gratifying and fulfilling as volunteering at LCYC.

I am very passionate about working with these youth who are attracted to our centre. Many of them are considered to be “at risk”, but really, most of them are in need of understanding people who care about them and are willing to interact with them and provide them with guidance and direction. Over the years I have witnessed

young people whose lives were turned around and they have gone on to successful careers. This conviction, as well as a deep compassion for the well-being of our local youth, continues to motivate me to continue volunteering at the Lloydminster Community Youth Centre”.

Fall 2015 Highlights

Christmas Gifts for Kids

Lloydminster and Area Drug Strategy, Boardom, and Precision Well Servicing supported 55 youth with a gift card and a movie pass to May Cinema. Our youth were grateful for this special gift.

Thank you very much!

Go Bobcats Go

LCYC is pleased to have our youth watch the Bobcats on their quest to win the Royal Bank Cup! Thank you Bobcats and SaskTel for your donation of 60 general admission tickets!

SPCA Partnership

Every month, youth get the chance to feed and learn about the animals at the Lloydminster and District SPCA. This activity always fills up fast because the youth have so much fun attending!

Winter Activities

We recently received a \$1500 donation from Kid Sport Lloydminster division to purchase skates and helmets. This will allow us to take the youth skating over the course of the long winter. Thank you KidSport!

Our Table Mountain Ski Trip is scheduled for Thursday March 10th.

Stay connected with Facebook, Instagram and our website for updates on our monthly program calendars.

Outreach Education Service

LCYC's outreach coordinator educates the Middle and High Schools about drug and alcohol awareness as well as how to make positive choices. 96% of students said they were learning relevant information from this program.

If you are interested in having a presentation in one of your classes please give us a call. Many of our initiatives are supported through the Lloydminster and Area Drug Strategy; #YLL My Home Campaign.

LCYC Monthly Bottle Drives

Our youth, staff and volunteers get together monthly to do a bottle drive. If you have bottles please drop them off at LCYC.

Our next bottle drive is Saturday, February 27.

15 youth at our fall bottle drive. We raised \$700.00 on this day

What we do here?

Recreation and Drop-in Services

Over 5,900 youth visits in 2015. Youth access the drop-in space and recreational opportunities such as: open gym activities, scheduled programs, concession, board games, pool table/ping pong, video games and much more. Our staff team and volunteers play a critical role in facilitating programs along with mentoring our youth.

Hot Meals

We served 5,050 hot plates of food in 2015. We receive generous donations from the community to be able to provide fulfilling meals for our kids 3 nights per week.

Outreach Program

Our staff connects with an average of 120 school students per week on making healthy choices and drug awareness. LCYC partners with organizations to stay connected with volunteering in the community.

Transportation

We provide pick ups at the schools and give them rides home in the evening.

Summer Program

Our summer program had 52 participate in a variety of outdoor activities. These included canoeing, paintballing, camping, white water rafting swimming, Amazing Race and more!

Teen Talks

We partner with local organizations to host guest speakers and workshops on various topics that include: self-image, healthy relationships, bullying and leadership.

Youth Council

We care about empowering youth and hearing their voice. This council meets regularly and plays a key role in planning and organizing events for the Centre.
