# LLOYDMINSTER COMMUNITY YOUTH CENTER

# CHEFS GOT YOUR BACK

## SPONSORSHIP PACKAGE 2022

ALL PROCEEDS FROM THIS EVENT BENEFIT THE LLOYDMINSTER COMMUNITY YOUTH CENTER AND PROGRAMS OF THE LLOYDMINSTER INTERVAL HOME SOCIETY.

PROVIDING A SAFE SPACE TO GROW FOR ALMOST 20 YEARS.

# About Us

The Lloydminster Interval Home Society is dedicated to helping women, youth, and children find a safe space away from domestic violence, abuse, and homelessness. With many programs in place we strive to educate others on the impact of domestic violence and how to find support. LCYC is one of the cornerstone programs that helps youth develop skills to build healthy relationships.

LCYC's "Chefs Got Your Back" was developed to bring awareness to the Lloydminster Community Youth Center (LCYC) and create opportunities for young leaders to be involved with the program that they love, the community they are a part of, and learn some important life skills along the way!

With great success from our past in person and virtual Chefs Got Your Back events we will end the summer with a bang, having our first post Covid in person event at LCYC! We hope you will join us for another successful Chefs Got Your Back and we thank you for your support of the women, youth, and children that we serve.

# What Chefs Got Your Back Supports

## LLOYDMINSTER COMMUNITY YOUTH CENTRE!

The Lloydminster Community Youth Center has been serving Lloydminster and area since 1994 when it first opened! We typically host nearly 6,000 youth visits each year. We provide a safe, fun and welcoming drop-in facility which offers recreational and support services for vulnerable youth, ages 12-18.

We provide safe transportation to and from the center and a hot meal program that runs Wednesday Thursday and Friday nights. Other LCYC programs include things like summer programs, youth leadership, teen talks and homework help.

A program of the

# The Impact

"LCYC **brought the light back into my life.** My life was very dark before."

Youth that attend the youth centre say they have **increase hope for the future** compared to before they attended the youth centre.

89% of youth now have **more people in their lives who care** about them as a result of their time at LCYC.

Youth have the **knowledge of healthy habits and behaviors** and the intention to apply them in everyday life

"I enjoy everything LCYC has to offer, **they gave me great support to help me figure out my own life issues,** which helped me become a better person today."

Youth **value the relationships** that they developed at LCYC, both with the facilitators and with their peers.

95% or youth are better **able to seek information on youth topics.**
